## Safety/Safety Relief Valve Seminars

---

CENTRIX Control Solutions is pleased to host four safety/safety relief valve (maintenance and repair) seminars in Edmonton in October 2020.

### INTRODUCTION

The two-day intensive seminars will be presented using videos, powerpoints, as well as hands-on training with actual safety/safety relief valves and valve cutaways. Participants will benefit most if they have some general knowledge of the operation of safety/safety relief valves. Our theme will be “Getting the Most of Your Safety Relief Valves through Regular Maintenance and Sound Installation Practices”.
